What other service(s) or special capabilities would like GMCA to consider?				
The Waste Watch program enhances your existing community security services. Because Waste Management crews maintain regular routes in your neighborhoods, they have the opportunity to notice anything that might be out of the ordinary. The alert eyes and ears of our drivers can help mitigate an accident by calling local authorities before a small situation becomes a big issue. Because making our communities cleaner, safer and stronger is our goal, our drivers are specially trained on what to look out for and how to react as part of the Waste Watch program				
<b>Additional Data: Use this space or additional pages to describe any other factors GMCA should consider.</b>				
In order to ensure the highest possible level of safety, customer satisfaction and quality service, WM utilizes a rigorous safety and training plan that we call "Mission-to-Zero" (M2Z). Our drivers' health histories are carefully reviewed, they receive physical exams, and are randomly drug tested on an ongoing basis. All drivers complete lengthy and ongoing training to ensure that they are providing the safest possible service on the streets of your community
