

April 6, 2014

Thank you so much for the wonderful gift. your organization so graciously has given to the "Whiz Kids" after school program at Foothills Elementary.

Together your funds will help us to continue building a neighborhood relationship as we host two major events - Christmas dinner at Church of Christ where we raffle off food baskets with turkeys and our end of the year

birthday party. This year we invited the parents and siblings. We served 105 or more pizza, salad, drinks as well as provide bingo prizes and candy bags.

Besides these two events, the money will also help provide for weekly snacks. Hopefully, we will be able to purchase a more nutritional snack-like fruit and vegies besides crackers + fruit roll ups.

Again thank you.
